# WEBSTER SENIORS

By MARY KLAR

My stepdaughter, Debra Poenix of Deer River, MN, joined us for Deb's delicious spaghetti meal on Monday and then went to my home to visit with her father, Elden Klar and sister, Joyce Klar.

Because I thought it would be good for Elden to have a nice visit with his two daughters, I stayed and played "Golf" cards with Fran Arnold, Mert Kisselberg, Gladys Beers, Lily Gleason, Jane Wardean and Deb Korhonen.

Gladys Packer, who is now home from the hospital and recovering from surgery, attended the funeral of her sister, Edith Solomon. Her stepdaughter, Roseanne Buck, has been assisting her for a while. We all welcome Gladys back and our thoughts and prayers are with her for a speedy recovery.

We had good attendance for Deb's tasty roast pork meal on Tuesday and Tom Paul, Bruce Behrens, Harold Peterson and Bob Marsh stayed afterwards to play pool for a while. It was good to see Ed and Elsie Strese join us for lunch.

Eldora Brown and Mert Kisselberg were among those who attended the Burnett County Nutrition Project Council meeting at the Grantsburg Senior Citizens Center on Wednesday morning.

Mary Poretti attended the Burnett County Aging Advisory Committee meeting at the Government Center on Thursday afternoon. I was unable to attend so Mary provided me with some of the highlights of the meeting.

Because the Medicare RX program is not up and running yet, there is a new prescription drug program called Badger RX Gold, which will be provided to anyone in need of it for a cost of \$25 per year. Call our Benefit Specialist, Connie Crosby, at 349-7600, ext. 1239, for further details.

Our Site Manager/Cook Deb Korhonen took the day off to attend the funeral of a longtime family friend, Gene Sorying, originally of Maple, WI. Thanks to Ella Livingston for filling in for the day.

Deb wanted me to mention that she's very thankful to Gladys Beers for all the volunteer work she has done for the nutrition program while waiting to get a new "Experience Works" employee.

Gladys Beers and Mert Kisselberg attended the District Spring Conference of the Coalition of Wisconsin Aging Groups on Friday at the Siren Senior Citizens Center. I want to make a correction in last week's column that it was Gladys Beers that played cards at the Center on Friday and not Gladys Packer.

Some diners this week that hadn't been there for a while were Harold Miehle, Debra Poenix, Joan Berg, Harlyn Pygman, Leonard and Violet Fossum and Gladys Packer.

Our "get well" wishes and prayers continue to go out to Gladys Packer, Norma Martin, Lucille Swedberg, Bill Bittner (who is recovering from a heart attack), and Margel Ruck's mother, Olive Gehrke of Balsam Lake who is recovering from surgery.

Are you a worrier, concerned about what might happen tomorrow? Does your future seem to be full of dark and difficulties? An important life lesson is that most of what we worry about today will never happen.

"Each day God sends his grace to strengthen you and me; we need to use today's supply, and let tomorrow be." —Anon

"Do not worry about tomorrow, for tomorrow will worry about its own things." —Matthew 6:34

See you at the Center!
